

# Federal Budget 2024

## What is the nonprofit sector asking for?

### ARTS AND CULTURE

- Protections in the Copyright Act against AI
- Increased funding to Canadian Heritage
- Establishment of a federal basic income
- EI reforms and income supports for self-employed and gig workers
- Funding and supports for equity-seeking groups

### ENVIRONMENT

- Investments in the net-zero economy (ex. workforce development)
- Investments in climate mitigation and protection solutions
- Establishment of a Canada Water Agency
- Funding for Indigenous-led conservation and stewardship projects

### COALITIONS AND COLLECTIVE ACTION IN THE SECTOR

- A Home in Government for the nonprofit sector
- Improvements to the quality and accessibility of data on the nonprofit sector
- Improvements to the nonprofit sector's funding environment
- Adequate funding for the Canada Disability Benefit
- Implementation of a nonprofit labour and volunteer strategy
- Increased funding for the Canada Summer Jobs Program

### COMMUNITY SERVICES

- Funding for nonprofit and affordable housing
- Training and upskilling for workers, especially equity-seeking groups and youth
- Continued investment in Canada's National Action Plan to end GBV
- Funding support for organizations providing support to refugee and immigrant, women, 2SLGBTQ+, disability, and other equity-seeking communities
- Modernize and expand access to EI to meet workers' needs

### EDUCATION AND RESEARCH

- Increased funding to granting councils
- Improve and fund the Student Work Placement Program
- Recruitment and integration supports for international students

### HEALTH & SPORTS

- Funding for research and program delivery
- Program supports for those living with disabilities
- Training and education to support workers in healthcare
- Funding to improve data collection

### INTERNATIONAL DEVELOPMENT

- Funding and safeguards to protect the Int'l Assistance Envelope

### SOCIAL FINANCE

- Implementation of the Social Innovation and Social Finance Strategy
- Renew and expand the Investment Readiness Program
